## Welcoming The Perk's Board!

Everyone say "hi!" to your newest amenity here at The Southerly: The Resident Perks Board! Your management team has been working tirelessly to create this board for you all!

What is The Resident Perks Board? It is an online portal for residents to gain access to exclusive deals that are just for us! All you have to do is go to the website below and sign up!

Please remember there are a few rules:

1. Absolutely no sharing with your account with nonresidents - these deals are meant for Southerly Residents alone.
2. No being rude to vendors who are giving you access to these deals - they have the right and will refuse service, perks, etc. to anyone who is mistreating this luxury.
3. Vendors reserve the right to ask for verification of your address. The best way to do this is show them your verified resident profile on the website!

## Resident Review

"I want to describe my experience here at southerly southbank as incredible. I moved from ohio to florida and checked out many apartments and this one grabbed my attention. Emma, the leasing agent, was super helpful in answering all my queries and being so friendly. The apartment has a great community and very pet friendly"
